

Objective

Detail-oriented and highly motivated Carrier Sales Representative with expertise in freight brokerage and logistics. Currently working as a Freight Broker, leveraging strong communication, time management, and leadership skills to build and maintain relationships with carriers and clients. Proven ability to manage multiple priorities, negotiate contracts, and ensure timely delivery of freight. Seeking a remote position as a Freight Broker or Carrier Sales Representative, utilizing my experience to contribute to business growth while working from Pakistan.

Experience

TCS

Data Entry Operator (Work from home)

2018 - 2018

I usually work on data entry of the parcels. I received pictures on company portal and then i use to enter the courier details into the system.

B&B International Canada

Student Visa Expert

2022 - PRESENT

I use to answer the queries of the client's a professional way. I also provide legal support in and outside Canada.

I represent my client's in Federal Court of Canada with the help of my immigration lawyer. I use to provide services from admission to visa filing in a best way in a secure environment as well.

Creeds Solutions Pvt ltd| Sciens Logistics LLC

Carrier Sales Representative - Freight Broker

2024 - PRESENT

I am working as a Carrier Sales Representative in Sciens Logistics LLC, Deerfield Beach Florida from USA side and giving this services in Creeds Solutions Pvt ltd from Pakistan side. I am assistant of Customers Sales Representative who is based in USA. In my job responsibilities i do find carriers-truck companies to haul the freight from one place to another through different load board, also maintaining track & trace operations to be upto date with freight to make hassle free delivery, cretion and closing of load in TMS-Revenova system.
